

# CORONADO/MAINLAND SHUFFLEBOARD CLUB

## MINUTES OF JANUARY 2nd MEETING

All officers were present except Mary Ann Pabst and Dennis Buelk. \* A motion was made and passed to forego the reading of the minutes since they are available at our website, posted in the cue house, and were forwarded to the officers.

Betty read the Treasurer's report of a balance of \$XXXX which was accepted by the attendees. \*Bill Boyes reported progress on redesigning the sign on the cue house facing Pine Street.

Al made an impassioned request for members to pitch in to run the club. We have over 200 members. Slate necessary by the February 6 meeting. Bob Finta read correspondence from Jeanette Gutowski thanking Johnnie and Betty for cards and flowers. She was very grateful for the kindness and generosity.

Bill Boyes brought up the SPARK program. The participants would like to continue the program starting Wednesday, February 17, 6 - 7 PM. Bill suggested more volunteers since the SPARK program is growing.

April 7 was requested as a date by Al Bessette to start his "Crazy Thursday" group, four games, all shufflers invited, 16 frames.

The City employees shot off fireworks from courts 9 and 10 on New Years Eve. The City cleaned off most of the rubbish left behind. Our members did the rest.

Johnny and her committee spoke with That's Amore about providing the same menu for our banquet for the same price of \$20. However, the motion was tabled until Johnny could get a more representative group voting on the decision. Please call or email Johnny at [Shuffleboardjohnnie@gmail.com](mailto:Shuffleboardjohnnie@gmail.com) or call at 865-240 1529, or fax at 386 423 4981

Mary began Scoring after the meeting. \* There is a signup sheet in the cuehouse for volunteering your help at the Northern District tournament on the 14 and 15 of January. \* Volunteers are requested for waxing courts on Tuesday, 9AM, January 5. No experience necessary. \* Night shuffling is a success with 30 - 40 players each night. The meeting was adjourned at 12:10 PM.
