

CORONADO/MAINLAND SHUFFLEBOARD CLUB Minutes of Executive Meeting and General Meeting Saturday, November 5, 2016 President Al Best called the meeting to order at 10:30. Board members not present were Marty Bystrom, Dennis Buelk, Deb Evans and Mary Harlow and Don Nephew. As a quorum was not present this meeting was not official.* There was a discussion about giving our club tshirts to the Mayor and the ladies in the parks and rec department-a total of 5 shirts. It received a favorable response, as these are the people who make decisions about our courts. Tshirts can be ordered and visors and hats are also available for members. When we have orders for 50 then shirts can be printed. Maybe extra shirts can be sold as souvenirs. * The Annual Banquet will be held Saturday, March 11, so that many of the snowbirds will be able to attend. Need a committee to find 3 places for catering, with choices presented to the board for selection. It was suggested that members dress up in the 30s tradition. The club presenting awards for different categories of attire, eliminating door prizes. At this banquet the club wants to recognize Dennis Buelk for all his work with new members and the lessons he gives. * In March two new directors may need to be replaced: Don Nephew and Arden McConnell. A full board will need to be replaced in 2018. Committees should begin working on this now as it is difficult to find volunteers. * Al Best has scheduled tournaments that we host for next season for October, December and January. The Masters Tournament will be held here on March 23. Stan Williamson has confirmed that the dinner will be held at Quail Hollow. * There was a discussion of our 80th Anniversary Celebration. On Friday night, March 3, the club could have open courts from 6-8 for public participation. Make it easy for the participants so they are successful and give prizes. (example 4 discs in back and hit three for a prize) Prize suggestions: tshirt or membership. Saturday, March 4, have Fun Day from 1-4 for public participation with free hot dogs. Fliers could be placed in stores on Flagler, and newspaper articles about our club and its history put in local papers. Small fliers could be made up to hand out to the participants. We can place a banner on our own property and gazebo. Need more ideas and a committee. Members could also dress up for this occasion. * Darrel Harman congratulated the club on a successful Northern District Tournament. A lot of club members were winners. * Discussion about club participating in Christmas Parade, December 3. It is a very long walk and maybe could do relays along the route. * November 18 is Pot Luck and November 19 is Fun Day. Don't draw 50/50 until motivational speech about volunteering. * There was discussion about Intercity interfering with daily play when all 3 teams are scheduled for our courts. One team needs to be switched out by team captains.
